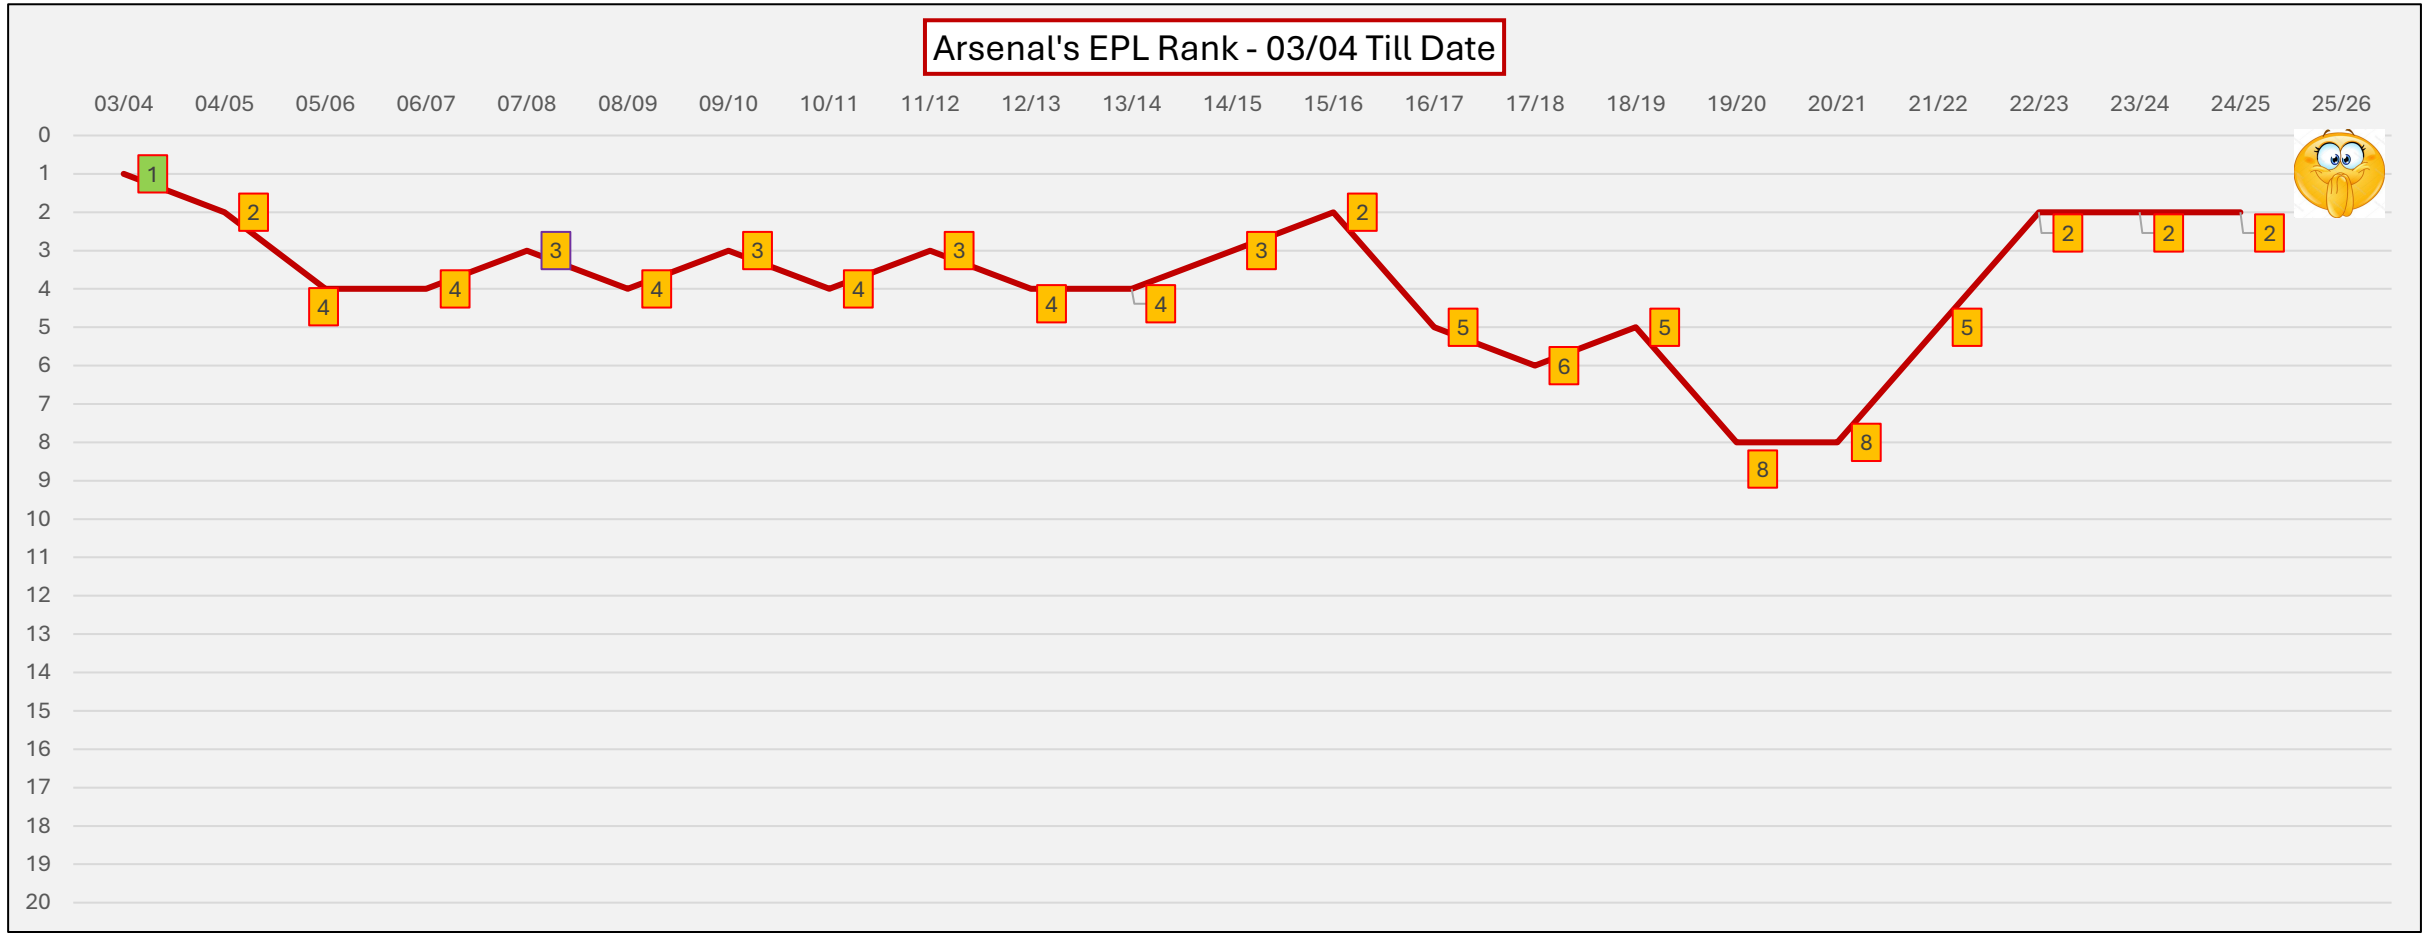
Arsenal: The 22-Year Pursuit of Glory

The Arsenal FC foundation dates back to 1886, when a group of workers from the Royal Arsenal armaments factory in South East London decided to form a football team. Initially called Dial Square, the club quickly became known as Royal Arsenal, and later Woolwich Arsenal. This marked the humble Arsenal club origins, built on passion, teamwork, and working-class spirit. Arsenal became the first southern club to join the Football League in 1893.

Arsenal Football Club last won the Premier League in the historic **2003/04 season**, a campaign forever remembered as *“The Invincibles.”* Under manager Arsène Wenger, Arsenal went the entire league season unbeaten — 26 wins, 12 draws, 0 losses — finishing with 90 points. It was one of the greatest achievements in English football history and set a benchmark that has rarely been matched. However, since that triumph, Arsenal have endured a prolonged Premier League title drought.

The Arsenal Team and Fans have gone over two decades without the celebration of an EPL title.

They are very optimistic that the 2025/2026 season is their Year of Redemption!



In recent seasons under Mikel Arteta, Arsenal have re-emerged as serious contenders, finishing as runners-up and mounting strong title challenges. The club now appears closer than at any time in the past two decades to ending a drought that has stretched more than 20 years.

From the perfection of the Invincibles to a long pursuit of redemption, Arsenal's story since 2004 has been one of resilience, rebuilding, and renewed ambition.

Current Ranking In the EPL 25/26 Season

Arsenal is clearly leading on the EPL table and giving Man City a run for their money as Man City is hoping to see Arsenal slip like they are always do.
